

SMOOTH DESIGN™ 14 MEAL

PRODUCT CODE: 214FOCM

FORM: Meal

APPLICATION:

A complete meal feed formulated for show pigs.

FEEDING DIRECTIONS:

A lower protein meal feed that will help obtain added body and finish. Ideal for heavier muscled, tighter moving pigs needing a softer look. Feed as a sole ration continuously to growing pigs until pigs reach desired show weight. Provide a good clean environment and plenty of fresh water.

FEATURES AND BENEFITS:

- Moderate protein and higher energy levels support a softer, more massive appearance by allowing pigs to continue developing muscle shape while putting on optimal finish.
- Higher in fat to achieve that needed smoothness and natural shape on harder muscled pigs.
- Milk and egg proteins to condition skin and keep pigs at twelve o' clock.
- Numerous fiber sources to provide ideal fill and dimension.
- High vitamin levels plus chelated and organic mineral fortification supports immune health and combats stress.
- Probiotics and prebiotics added for improved gut health and nutrient utilization. Also aids in maintaining feed consumption during stressful situations.
