

BUCK BRICK™

PRODUCT CODE: BBAC10 (acorn)
BBAP10 (apple)

FORM: Brick, 10 lbs

APPLICATION:

A free-choice vitamin/mineral supplement formulated for all classes of free ranging and domestic deer.

FEATURES & BENEFITS:

- High protein! Protein helps fiber digestion which is converted into energy.
- Valuable in the winter to help bucks tap into vitamin/mineral reserves to build antlers!
- Fortified with quality vitamins and minerals.
- Won't fall apart in the rain.

FEEDING DIRECTIONS:

Feed as a supplement to normal browse and feed sources in the habitat. Feed year round. Place in areas where deer frequent: staging sites, trails, or water sources.
