

BIOTAL PLUS II GRANULAR

PRODUCT CODE: BIOTAL

APPLICATION:

Forage inoculant for all crops and storage structures.

FEATURES:

- BIOTAL PLUS II is designed to work with all types of forages. BIOTAL PLUS II is also designed to work with all types of storage structures, including bags, stave silos, oxygen limiting silos, bunkers, pits and piles.

DIRECTIONS FOR USE:

Add 1/2 lb. of BIOTAL PLUS II per ton of forage or HM grain. Calculate tonnages “as is” (fresh weight) vs. dry matter. Wear gloves when handling. Use whole package at one time.

PRECAUTIONARY STATEMENT:

This product contains enzymes. May cause mild skin irritation. May cause mild eye irritation. May cause allergic reactions, including asthmatic bronchitis, in susceptible individuals if inhaled. Avoid breathing dust. In case of inadequate ventilation wear a mask. Wash hands thoroughly after handling. If breathing is difficult remove victim to fresh air. If experiencing respiratory difficulty, eye or skin irritation, get medical attention.

GUARANTEED ANALYSIS:

Total bacteria count not less than 2.18×10^{11} colony forming units (CFU) per pound (*Pediococcus pentosaceus* NCIMB 12455 and *Propionibacterium freudenreichii* NCIMB 30081). Minimum enzyme activity: β -glucanase (*Trichoderma longibrachiatum*) 12.16 mg glucose liberated/min/g, xylanase (*Trichoderma longibrachiatum*) 34.58 mg glucose liberated/min/g, galactomannanase (*Trichoderma reesei*) 1.62 mg glucose liberated/ min/g.

INGREDIENTS:

Calcium carbonate, dried *Pediococcus pentosaceus* NCIMB 12455 fermentation product, dried *Propionibacterium freudenreichii* NCIMB 30081 fermentation product, dried *Trichoderma reesei* fermentation solubles, dried *Trichoderma longibrachiatum* fermentation solubles, sodium aluminosilicate, and mineral oil.
