

FINISH RIGHT™ OPTI-GAIN BEEF FEED

PRODUCT CODE: T513R

FORM: Textured

MEDICATION: Monensin 20g/ton

APPLICATION:

A complete feed formulated for improved feed efficiency in cattle held in confinement.

FEATURES AND BENEFITS:

- Contains LifeGuard™ - a proprietary blend of prebiotics, probiotics, essential oils, and chelated trace minerals specifically designed to support digestive health and immune function.
- Fortified to meet the nutrient requirements of growing and finishing cattle.
- Textured with steam flaked corn to enhance digestibility.
- Medicated for improved feed efficiency.

FEEDING DIRECTIONS:

Feed continuously to provide not less than 50 mg nor more than 200 mg of Monensin per head per day. 1 pound of T513R contains 10 mg Monensin. Amount fed will vary depending on calf bodyweight and amount and quality of forage available. Offering small amounts of fresh feed often will increase intake. Provide free-choice, high-quality hay and fresh clean water at all times.
