

TRIBUTE®

TRIBUTE RESOLVE®

A high-fat, pelleted feed formulated for all horses at maintenance or in training.

PRODUCT CODE: T914RC

Registration #820780

FEATURES & BENEFITS:

- Higher levels of Vitamin E to support muscle-related conditions, such as tying-up. Also beneficial for the immune system.
- Higher fat and highly digestible fiber for calmer performances without loss of energy or condition.
- Optimal balance of essential amino acids for muscle maintenance and recovery.
- Organic minerals replenish body tissue stores depleted during daily activities and exercise.
- Essential fatty acids, Omega 3 and 6, for healthy skin and hair coat and support of normal tissue function.
- Excellent for hard-keepers and horses requiring less NSC in their diets, like those who are hyperactive or have conditions such as ulcers or tying-up.
- Contains a pre-and probiotic to increase total diet digestibility and improve overall gut health.
